ctpconsulting.com

CTP is a certified Women's Business Enterprise (WBE) headquartered in the dynamic hub of Silicon Valley. We are a full-service Technology and Marketing/Creative talent solutions and consulting services firm where our difference lies in our approach.

We delve deep into understanding your greatest challenges, enabling us to seamlessly align our team with yours to champion mission-critical objectives. The track record of our team speaks volumes about our ability to deliver high-quality, cost-effective solutions that go far beyond filling an open position.

Our pledge is to be your catalyst for success. By equipping you with indispensable resources and expert market insights, we empower you to achieve your mission. Our promise is to be at your side, co-creating solutions that address your most pressing challenges.
